47th Annual Educational Conference

April 25-26, 2019

CALL FOR POSTERS

NO EXPERIENCE NECESSARY!

LITEVAN will feature a Poster Area again at this year's conference! The posters are yet another forum for sharing ideas and engaging in discussion with other professionals in the field. **Complex and extensive research projects are NOT a pre-requisite – just proven and practical solutions for the challenges that IV nurses encounter every day.**

Where do I start?

Start with a good idea! What have you done differently in your workplace to problem solve or increase efficiency? What has worked and what hasn't and why? Have you helped to implement a successful policy at work? Where can you share ideas or offer answers?

Appropriate topics include, but are not limited to:

- SITE SELECTION and DEVICE PLACEMENT
- ACCESS DEVICES
- PATIENT CARE
- SITE CARE and MAINTENANCE
- DOCUMENTATION
- INFECTION CONTROL and SAFETY COMPLIANCE
- INFUSION-RELATED COMPLICATIONS
- INFUSION EQUIPMENT
- NONVASCULAR ACCESS DEVICES

Formatting Your Poster

You can opt to have a traditional poster printed, or you can print slides and graphics from a PowerPoint presentation assembled on your computer. Fun and creative presentations are welcome! Traditional posters can be printed at most professional printers. You could also use the online service Genigraphics (www.genigraphics.com), which allows you to paste your poster content into the appropriate sections, then it formats, prints, mounts, and mails your poster for you.

Poster Winners

Conference attendees will be given the opportunity to vote on their favorite posters. The first-place poster presenter will receive a complimentary full registration to next year's **LITEVAN 2019** Annual Educational Conference. Second place will receive a complimentary one-year membership to LITEVAN.

Guidelines

- Posters should outline the presenter's findings in either Clinical Research or Education/Process Improvement.
- Posters should NOT be an advertisement for a company's product or service.
- Posters will be **table-top displays**. The presenter is responsible for providing the poster board and mounts, or a tri-fold poster display case. The tri-fold poster display works best for table top posters. LITEVAN will provide an easel or table for placement of the poster. Contact the LITEVAN Office with questions.
- Presenters are responsible for covering their own conference registration expenses.
- Posters will be displayed for the duration of the conference and the winner will be announced during the Friday lunch.
